

Elect Mike Clement

Mayor, City of Manchester

Vote Tues., April 3, 2018

With over 40 years as a Manchester resident, I have enjoyed getting to know many of you. For those who don't know me, allow me to introduce myself as a candidate for Mayor:

A DEDICATION TO MANCHESTER: My wife and I have lived in our current home since 1976 and raised two children in Parkway Schools. I've served as a trustee for Countrylane Woods and understand that our strong neighborhoods are key to our families' happiness and safety.

A HISTORY OF LEADERSHIP: Having served 16 consecutive years on the Manchester Board of Alderman (Ward 2), I have worked to address issues vital to our community such as stormwater remediation, business development, deer management, and many more.

A VALUE FOR SERVICE: I am a veteran and serving others is a fundamental value. I actively serve as a member of my faith community and have a history of volunteering with Homecoming, Manchester Arts and Lafayette Industries.

As Mayor, I will work for:

FISCAL RESPONSIBILITY: This year, the city experienced a budget shortfall due to a miscalculation in expected revenue. As Mayor, I will lead the city in a focused review of its revenue forecasting process and add quarterly projection checks to ensure that revenues balance necessary expenses.

PRIORITIZE OUR RESIDENTS & BUSINESSES: Manchester is not its government, but the residents and businesses that collectively make our area home. Our strength comes from the community we serve and from resident participation, recognizing that the best quality of life is one that reflects our community's interests and values.

City government should foster positive working relationships with our business community. For Manchester to thrive, it is vital to have a government that sees itself as a partner to help "business get done" in the City of Manchester.

LET'S TALK: Productive relationships come through dialogue. I will host regular public forums to encourage residents to make their voices heard. I will advocate for an expanded volunteer base and look for opportunities for residents to realize their vision for the city. I will host regular dialogue with local, small-business owners to ensure that we hear, and are aware of their challenges and find ways to help. There is much to be done.

Election Day is TUESDAY, APRIL 3. Please vote for Mike Clement for Mayor!
